Why Do You #CelebrateGannon?

"Pi Kappa Alpha develops young men into the best versions of themselves. I have made so many

"I #CelebrateGannon because of the great opportunities Gannon has brought me. I have had the chance to work with people from GUCCD,

lifelong friends and grown so much as a person through my three years at Gannon and it wouldn't have happened if not for Pike."
-Joey Kvortek '25

Concert Band, SGA, GSO, and the Alumni Office. These experiences really helped me to build who I am today."
